TORNADO SHELTERS MANDAN ND

Mandan allows residents to use the shelter in the basement of City Hall during tornado warnings, high wind thunderstorms and large hail alerts.

Mandan City Hall will be opened when the city's six warning sirens are activated. The sirens go off when:

- A confirmed funnel cloud or tornado has been spotted within 12 to 15 miles of Mandan and is approaching the city.
- The National Weather Service has issued a tornado warning for western Burleigh County and eastern Morton County to include the city of Mandan.
- The National Weather Service predicts 80 mph wind gusts or golf-ball size hail for eastern Morton County, including the city of Mandan.
